Education

M.Sc.(Masters.)Physics| HPC | University of Rajshahi | 2016 | GPA:3.61/4

B.Sc.(Hons.)Physics University of Rajshahi | 2015 | GPA:3.34/4

HSC
N.S. Govt. College, Natore | Rajshahi | 2010 | 5.00/5

SSC
Chattani High School, Natore | Rajshahi | 2008 | 5.00/5

Skills

Linux System Admin : Cluster Computing, ♡HPC, Bash Scripting

Programming : ♡Python, C, Javascript

Web Application : HTML5, CSS3, Bootstrap, Javascript, React, ♡Django, Django Rest, AWS cloud services, XML and JSON manipulation

Database : Mysql, Postgresql, sqlite

Strengths

Problem Solver, Innovative, Fast Learner , Hardworking

Hobbies

Reading Novel, Traveling

Work Experience

Jan-Aug'16	Junior Web Developer - RampsBD | Rajshahi. -Python, Django, Mysql E-commerce site, Web Blog	2 years
Jan 2017-	HPC System Admin | Statistics department, RU HPC Cluster Setup - Network Configuration -Cluster Enviornment Configuration	6 months
Aug-Dec'18	Arduino & Robotics Internship - Datasoft Multitech -Basic electronics, Microcontroller, Arduino - Mqtt, SPI, I2C, UART, Bluetooth, WiFi - Circuit Design, PCB design, Soldering	3 Months

Selected Projects

June'19 - July'19-	Django E-Commerce Application, Payment , Adding/Removing Cart, Customized Backend Panel, Attractive User Profile Interface –Project Link : –Live at : –Project Review Video :	2 months
April'19 - May'19-	Full Featured Web blog application using Django and Implementing Rest API –Project Link :	1 month
Mar'18 - May'18-	Real Time Face Detection and Motion Detector System Using OpenCV Python –Project Link:	2 months
Mar'18 - May'18-	Neutral Network From Scratch With Python For Unknown Flower Species Prediction –Project Link:	2 months

Qualifications

2019, April	Half passer of ITEE Level-2 FE Exam (April - 2019) National Level IT Engineers Examination governed by IPA, Japan.
2018, Aug	Arduino and Robotics Examination Bangladesh HI Tech Park Authority,Datasoft Multitech,Rajshahi
2016, April	Web Design & Development (LICT) Project of Bangladesh Computer Council (BCC), ICT Division.

Interests and Activities

–Good Problem Solving Capabilities at HackerRank (HackerRank Profile Link:)
–Technology, Open-Source, Programming, Astronomy
–Excellent communication skill
–quick learner and smart worker
–Focused with positive attitude
–Participated in various programming competitions.
–Active member of IT Society, University of Rajshahi
